SHIPBUILDING INDUSTRY SPLIT Inc.

# About Katina

KATINA represents one of the most distinctive and fully equipped luxury motor yachts available on the market today.

LUXURY SAILING EXPERIENCE  
BUILT FOR THE WORLD AND THE SEA EXPLORATION  
DESIGNED FOR A PARTY AND ADRENALINE  
LOVINGLY CRAFTED, EXQUISITE INTERIOR  
HIGHLY PROFESSIONAL AND EXPERIENCED CREW  
CALM AND RELAXING AMBIENCE  
ADRENALINE, ACTION AND ADVENTURE

## Special features

- Three impressive spacious passenger decks
- Passenger elevator connecting all guest decks
- Fully-equipped gym
- Sauna and massage salon
- Whiskey and cigar bar
- Audio/video entertainment system
- Jacuzzi with sun beds
- Special night effect with 30 underwater RGB lights
- Spacious interiors
- Exceptional guest entertainment areas
- RYA training center with crew members as RYA instructors
- Big game fishing equipment

Katina is the biggest motor yacht built in Croatia accommodating 12 passengers in 6 VIP cabins and 15 crew members, designed for unrestricted navigation. It has been built and certified in accordance with rules and regulations of the Croatian Register of Shipping and Marshall Islands yacht code.

# Calm & relaxing accommodation

Two identical impressive master staterooms on the upper deck with ensuite bathrooms and access to forward facing balcony afford both privacy and relation.

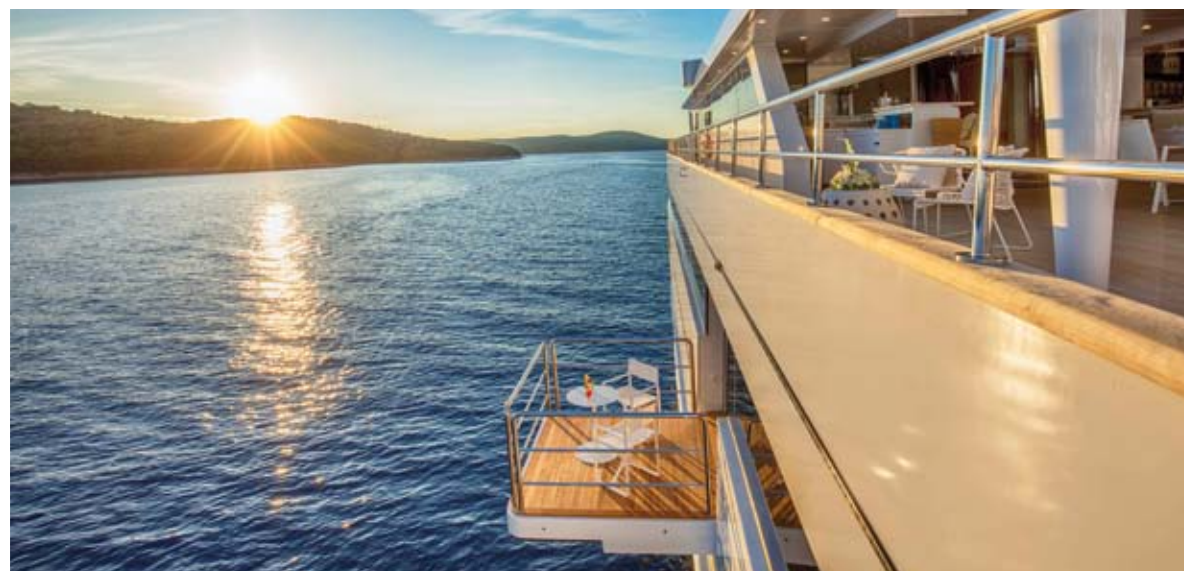

Four identical beautifully appointed and spacious staterooms with ensuite bathrooms and individual balconies, each boasting same delicate styling, are located aft on upper deck.

# Deck & sun

Three spacious passenger decks provide a lot of space for guests to party and have fun at. Elegant salon on main deck can be easily turned from a sophisticated dining area for 12, into an endless party zone with long bar and a grand piano, followed by a whisky and cigar bar with individual air handling, all in order to meet demands of its discerning guests. Sumptuous seating feature on aft areas on both main and upper deck.

Sun deck with Jacuzzi and sun beds together with the main deck with the access to swimming platform and passarelle are communicating through the exterior access, while the passengers' elevator is serving the main, upper and sun deck from the inside. The external decks are covered with first class Burma teak and the internal with parquet and marble.

# Adrenaline & action

An impressive choice of venues for entertaining includes exceptional number of equipment for extensive water sports inventory: tender, wave runners, Jet Ski, kayaks, seabobs, wakeboards, water skies, wind surf, diving equipment and inflatable rides with a landing pad, a trampoline and a slide.

## ULTIMATE SMART YACHT AUTOMATION SOLUTION

More than intelligent, user friendly system – integrating everything from TV lighting, music, video, air conditioning control, security and automatic blinds and even smartphones and tablets. A personalized experience that enhances your sailing and work with added comfort, savings, convenience and a peace of mind.

# Entertainment & party

One of the exquisite features is the vast sun deck with large dining area, two bars and a Jacuzzi with sun beds in comfortable lounging areas, a perfect combination of entertainment and relaxation.

To keep in shape and for the wellbeing of the guests, gym, sauna and massage room are available.

The whole yacht is covered with an audio/video entertainment system with launch ports for iPod and 4G Internet connection. Experience authentic cinema with KALEIDESCAPE 3D to over 400 movies in Blu-ray quality.

A special night effect is accomplished through 30 underwater RGB lights.

## Technical & performance

The hull and the superstructure is a steel construction while the wheelhouse is made of Aluminum alloy. Two Cummins main engines with 1000 kW of power provide a speed of more than 14 knots. Bow thrusters allow exquisite maneuvering in tight passages and heavy traffic. Two pairs of zero speed stabilizers are in charge to give passengers the best possible comfort at sea, reducing roll periods even when the yacht is at anchor.

Fuel, water and food capacity allow autonomy of 4000 nm or 15 days on the Sea. Water is additionally provided through two water makers of 9t/day capacity each. A spacious and well-equipped galley can provide three hot dishes for 50 persons daily. A passenger elevator connects all the guest decks and a dumbwaiter connects the galley with the salon.

For the electrical supply, there are three gensets and one for emergency, together with a shore connection. Navigation and radio communication is provided for the GMDSS A3 area with DGPS, VDR, speed log-on etc. Set of satellite and terrestrial antennas and receivers are provided for the best TV signal. All spaces are air-conditioned.

# Katina yacht specification

Length: 60m / 197'

Beam: 10.68m / 35'

Hull: Steel

Superstructure: Steel / Aluminum

(navigation bridge)

Decks: 4

Engines: 2 x Cummins KTA 38-M2 1350 HP

Generators: 3 x Cummins QSM 11-D(M), 265 kW

# Specification & equipment

## AUXILIARY

Bow thruster  
Water maker  
Fin Stabilizers  
HVAC (Heating, Ventilation and Air-conditioning system)  
Elevator

## GYM / SAUNA

(+ separate sauna on Main deck)  
Treadmill  
Yoga mat  
Compact stepper  
Multi function bench press  
Bicycle  
Dumbbells – various weights  
Pilates balls  
Rowing machine

## ELECTRICAL SYSTEM

Voltage: 3 phase, 400V AC  
Frequency: 50 Hz

## NAVIGATION

Magnetic compass  
Gyro compass  
Satellite Compass  
Doppler Speed Log  
Depth sounder  
Autopilot  
2 x X-Band Radar  
2 x Electronic chart system (ECDIS)  
GPS  
Weather (Wind) Station

## COMMUNICATION AND SATELLITE

VSAT (Satellite Internet System)  
2 x Inmarsat C  
Navtex  
FBB Broadband Internet  
GSM  
GMDSS A3  
MF/HF DSC Radio Station  
2 x VHF + 2 VHF DSC  
Telephone exchange  
VHF hand held radio

## ENTERTAINMENT

TV / DVD / Music System - Kaleidescape integrated system  
TSAT (TV Satellite System)  
High quality complete disco equipment for installation on sun deck aft, removable, equipment stored on bord  
Play Station Area
